

Sacred Heart Catholic Primary School & Nursery Newsletter

This week we celebrated International Music Day—the whole school from Nursery to Year 6 had Samba sessions which could be heard down in the Cathedral! KS2 are really developing their violin skills and might be ready for a performance in Autumn to show off their skills.

Our Year 5 and Year 3 were fantastic hosts and guides mapping out the city for the Year 5 and Year 3 children from Our Lady of Compassion primary school in Formby. They certainly got their steps in on Tuesday and Thursday keeping active and healthy.

We can't wait to go to visit them in September to do some fieldwork and build friendships at the beach .

British and Gospel Values

Respect

Respect means that you accept somebody for who they are, even when they're different from you or you don't agree with them.

Respect in your relationships builds feelings of trust, safety, and wellbeing.

Respect doesn't have to come naturally – it is something you learn.

UN Rights of the Child

Article 29

Article 29 of the UNCRC says that a child or young person's education should help their mind, body and talents be the best they can.

1 Thessalonians 5:12-13 *Hold them in the highest regard in love because of their work. Live in peace with each other.*

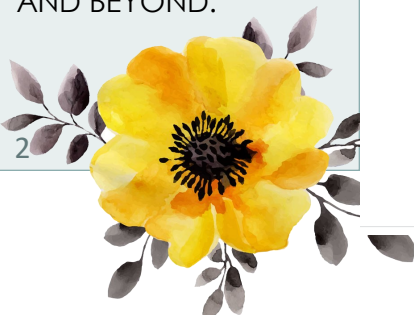

THE IMPORTANCE OF ARRIVING ON TIME—(08.45-08.55AM)

WHOLE SCHOOL PHONICS AND READING TAKES PLACE FROM 9AM—9.45

THE IMPORTANCE OF PHONICS

PHONICS IS ESSENTIAL FOR CHILDREN TO BECOME SUCCESSFUL READERS AND SPELLERS/ WRITERS IN THE EARLY YEARS OF SCHOOLING AND BEYOND.

ON LINE SAFETY

See the link below for parental support and advice through a series of three animations which aims to give 4-7 year olds knowledge, skills and confidence to help them respond safely to risks they may encounter online.

How you can use *Jessie & Friends* to help keep your child safer online

Before you watch *Jessie & Friends* with your child, here are a few things you can do:

- **Explore together:** Ask your child to show you their favourite websites and apps and what they do on them. Listen and show interest and encourage them to teach you the basics of the site or app.
- **Initiate (and continue) conversations about online safety:** Ask them if anything ever bothers or worries them while they're online. You could use examples of events from the animations and ask if they've experienced anything similar. Reinforce the key message: if anything happens online which makes them feel worried, scared or sad, the best thing to do is talk to you or another adult who they trust.
- **Help your child identify adults who can help:** Help your child identify trusted adults from different areas of their life such as at home or at school.
- **Be non-judgemental:** Explain that you would never blame them for anything that might happen online, and you will always give them calm and loving support.
- **Supervise your child while they're online:** Keep the devices your child uses in communal areas of the house such as in the living room or kitchen where an appropriate adult is able to supervise. It is not safe for 4-7 year olds to access the internet unsupervised in private spaces, such as alone in a bedroom or bathroom.
- **Talk to your child about how their online actions can affect others:** If your child is engaging

CLASS OF THE WEEK—

NURSERY

We have been learning about RESPECT this week in Nursery.

We spoke about all being different, but how we should respect one another. We spoke about how we say 'please' when we want something and 'thank you' when someone helps us or gives us something.

Nursery are now learning about the seaside. They have been drawing pictures of the beach and listening to sounds you may hear at the seaside too.

The children drew pictures of the Queen for the Jubilee and we spoke about how the Queen likes afternoon tea which is why we had scones with cream and jam; as well as making crowns to wear for our tea party!

This week's learning in RE was about friendship and how the children can be a good friend. We already know how important this is in Nursery as we have been learning about this all year .We made rules on how to be a good friend in our classroom.

We were so excited to have a Samba session playing the drums and learning about beat and rhythm. We had to listen and copy the rhythm.

We have also been practicing balancing on different equipment ready for our sports day next week.

**THIS WEEK
NURSERY HAVE
BEEN ON AN
EXCITING TRIP TO
THE MUSEUM :**

As per our school uniform policy, **please ensure your child is in the correct uniform.** If you have any issues, please see the school office who may be able to help source it for you. **If children are not in the correct PE kit then the school will have white T shirts and black shorts or leggings to change into for the school day.** Thank you for your support.
