Values

Thankfulness

Gratitude is a special gift given to us by God. Gratitude is fundamentally about not taking things for granted. It is being thankful for what we have and receive. Gratitude is

strongly associated with greater happiness. Gratitude helps people feel more positive emotions, relish good experiences, improve their health, deal with adversity.

UN Rights of the Child

"It is not how much we have, but how much we enjoy, that makes happiness." –Charles Spurgeon

Thank you to all our community for supporting our Close Harmony concert arranged by Mr Howarth to raise funds to purchase musical instruments—we raised over £600—amazing!

CLASS OF THE WEEK—

CLASS 3

This week, Year 3 have been exploring the theme of Pentecost. We have explored how the energy of the Holy Spirit is as strong as the energy from the wind and fire. To help us understand this, we have made pinwheels to think about how strong the wind would need to be to move them. We have also learnt a song about the Holy Spirit to think about the gifts that it gives us.

Our topic this half term is the "The Romans" and we have been reading the story of Romulus and Remus to think about how Rome was founded. We will be exploring what life was like and how the Romans changed our lives.

We have also started our art project of using a range of printing techniques to create a mosaic.

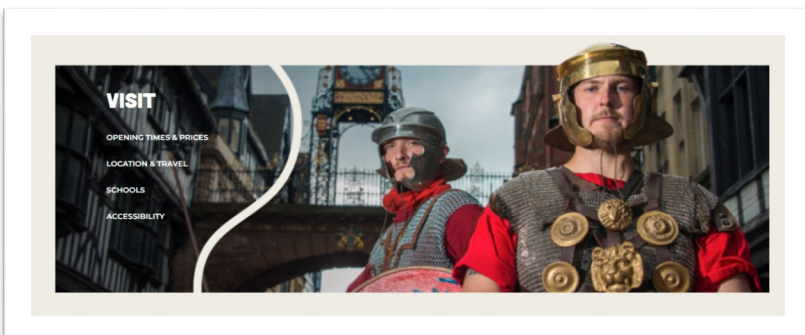

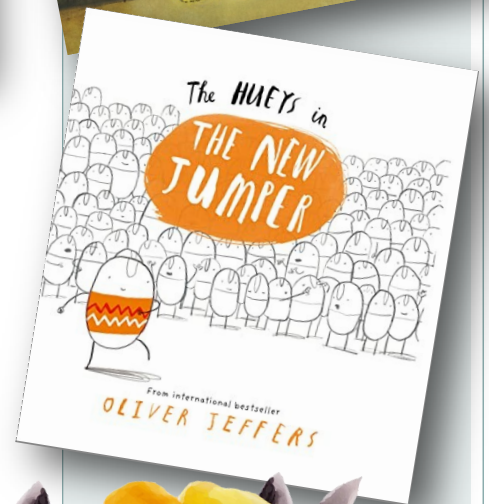

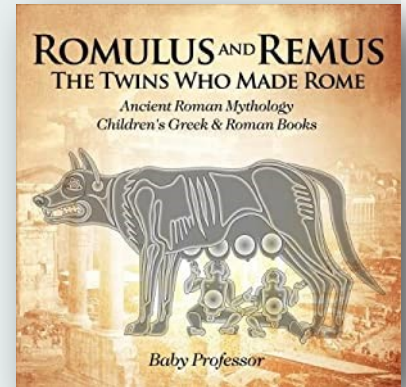

Year 3 have got an exciting week coming up! Next week, we will be visiting Chester where we will be marching as a Roman army, visiting the amphitheatre, visiting the museum to explore the remaining Roman walls of the city and learning about how to fight and live as a Gladiator. We will also be visiting the University of Liverpool to complete an archaeological dig and sharing our ideas of what Dreams, Kindness, Love and Respect mean to us to a film crew that Year 6 are working with.

We are so excited.

THIS WEEK YEAR 3 HAVE BEEN READING :

ROMULUS AND REMUS
