

Spring - Nursery

SACRED HEART
CATHOLIC PRIMARY
SCHOOL & NURSERY

Specific areas

Literacy

We are going to be using story talk independently and use key vocabulary from our stories to help us.

We will be able to answer more complex questions about a familiar text.

We will understand that print carries meaning and follow along with our finger from left to right when reading.

We will recognize print in our environment and read our own names without visual support.

We will begin to make letter shapes when mark making and practice the initial letter of our name.

We are reading...

Maths

During this term, we will be subitizing 1 or two items and apply 1:1 correspondence independently.

We will be able to link numerals to Amounts and count out items to match numbers. We will solve number problems up to 3.

In Number pattern, we will be exploring 2D shapes and finding the shapes in our environment. We will compare length for longer and shorter and compare more or less in quantities.

Understanding the World

During our topics, we will be able to talk about experiences of visitors and visits. We will also be able to understand that there is an order to the days of the week and talk about significant events that happen to me. We will notice and talk about the weather and how different clothes are worn in different seasons. We will also be able to draw information from a simple map. When exploring materials, we will be able to notice differences and talk about what we can see in the natural world.

Computing

We will discuss how we search for information on Google by using key words.

We will explore using touchscreen functions to change colours and sizes of objects on the screen.

Expressive Arts and Design

During this term, we will explore colour mixing and create enclosed shapes using broad paint strokes. We will be able to express different emotions in drawings and paintings and use a range of tools to draw and paint with a goal in mind.

During our lessons we will participate in a range of role play activities: visiting the dentist, being in a coffee shop...

We are going to practice singing in a melody and talk about how music makes us feel.

Communication and Language

We will learn how to answer two-part questions, such as 'who and where'. We will be demonstrating prepositions of in front and behind. We will participate in two-way conversations and answer simple questions about myself when talking about my family and myself.

We will listen to longer stories and be able to retell more information focusing on the key parts. We will listen to others in class discussions and contribute when we can.

PSED

During this term we will identify some of our feelings and emotions and explore how others may be feeling. We will discuss how to work with others and how we can solve conflicts with support.

We will continue to gain more independence with toileting and dressing. We will explore the importance of brushing our teeth twice a day.

We will learn the PANTS NSPCC rule and understand how to keep our bodies private and respect each other.

We will work on building relationships and take turns.

Physical Development

We are going to remember more sequences and patterns in music and rhythm and try to begin new challenges.

We will develop our balance and coordination in gymnastics and fundamental skills. We will use benches and mats to help us to use our skills in different ways.

Prime areas

PSHE

Journey in Love- Physical

•To recognise that we are all different and unique.

RSHE- Role Model – loving others

We will discuss that all families are different

Book: Blue Chameleon

We will look at how to make friends with someone different.

Speaking and Listening

We will explore how we manage our immediate needs and wants and how to ask adults for support

We will practice new vocabulary and mirror using vocabulary in scripted sentences.

We will be learning more songs and sing them together to become more familiar with the patterns and rhymes.

Religious Education

Celebrating – What and why do people celebrate?

Gathering – Why do people gather together?

Islam – Prayer Mats

Growing – How and why do things grow?
