EQUALITY, DIVERSITY AND INCLUSION

The Equality Act 2010 requires schools to publish information to show how we are working to:

- Eliminate discrimination
- Advance equality of opportunity between people who share a **protected characteristic** and people who do not share it
- Foster good relations between groups of people

The **protected characteristics** – which relate to a primary school – are:

- Disability
- Gender reassignment
- Gender
- Sexual orientation
- Race
- Religion and belief

Other groups of pupils we believe it is also important to consider are:

- Children Looked After/ children who were previously looked-after
- Young carers
- Children eligible for free school meals or living in poverty
- Children new to the country as asylum seekers or with refugee status.

1. Aims and Purpose

Sacred Heart Catholic Primary School & Nursery aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it;
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it.

The purpose of this policy is to outline Sacred Heart Catholic Primary School's commitment to promoting equality of opportunity in the management and organisation of the school, including employment and when seeking admission to schools, in the provision of education, when accessing any benefits, facility or service provided by the school.

2. Background

This policy meets the requirements under the following legislation:

- This policy reflects the Single Equality Act 2010, which harmonises and replaces previous legislation including the Race Relations Act 1976, Disability Discrimination Act 1995, Gender Recognition Act 2004 and Sex Discrimination Act 1975. This policy therefore supersedes all previous school policies on Disability, Ethnicity (i.e. Race) and Gender.
- The Single Equality Act combines the existing three duties into one new Equality Duty that covers all seven of the equality strands: age, disability, gender, gender identity, race, religion or belief and sexual orientation. At Sacred Heart we will ensure that at every level, in all our work and throughout all aspects of the school community and its life, everyone will be treated equally. This Single Equality Policy summarises the school's approach in ensuring equality for all.

This policy is a positive commitment by the school to work towards equality of opportunity to ensure staff and pupils are protected from discrimination and harassment and victimisation.

3. Policy Statement

3a. Scope

This policy covers all employees, pupils, governors, parents and partners of the school and other members of the community. All employees of the school should apply the principles of this Equality Policy & Objectives to any dealings they have with any person engaged with the school or on its premises.

This policy provides a framework for the Governing Board and Headteacher to provide consistent support and guidance to their employees. The policy covers all education and associated services for pupils including extra-curricular and leisure and sporting activities, after school clubs, school trips, as well as school facilities such as libraries and IT facilities provided by the school. This policy does not apply to anything done in connection with the content of the curriculum or acts of worship or other religious observance organised by or on behalf of the school.

3b.Statement of Values

The school is committed to equality of opportunity in the way in which it provides education for pupils, in the way in which it affords pupils access to a benefit, facility or service and the way in which the curriculum is delivered.

Sacred Heart Catholic Primary School and Nursery will strive to ensure that the culture and ethos of the school are such that, all members of the school community will equally value and treat one another with respect and will not treat anyone less favourably on the grounds of a protected equality characteristic: disability, gender reassignment; pregnancy and maternity; race; religion and belief; sex and sexual orientation. The school will foster a culture of respect and dignity, valuing pupil achievements and their uniqueness and recognise the importance of equality of opportunity.

The school will work to promote good relations between pupils from different abilities, cultures, religious and gender backgrounds. Everyone will be provided with the opportunity to learn and understand the School's Equality Policy & Objectives. Unfair assumptions, stereotypes, prejudices and discrimination are all unacceptable in the drive towards equalities.

4. Promoting Equality of Opportunity in admissions, in providing education and access to benefits, facilities and services for pupils

Sacred Heart Catholic Primary School and Nursery will promote equal treatment for pupils in its educational provision and in access to benefits. Equality will also inform our Behaviour & Anti-Bullying Policy (including exclusions) and our Accessibility Plan. The school will also be informed by equal opportunities when it provides services or activities to its pupils that are not strictly educational and which may take place outside the traditional school day.

The school will take reasonable steps to change any practice or policy to ensure that a disabled pupil is not placed at a disadvantage compared to other pupils. The school will do all that it can reasonably be expected to do to support pupils with a disability, by putting in place reasonable adjustments for disabled pupils.

The school ensures it has due regard to equality considerations whenever significant decisions are made and considers the impact of these significant decisions on particular groups. For example, when a school trip or activity is being planned.

For pupils from ethnic minority backgrounds, Sacred Heart Catholic Primary School and Nursery recognises that there may be a need for language support in the classroom and will also take into account the fact that learning is likely to be influenced by different cultural backgrounds and different experiences. The school will consider using the 'Positive Action' provisions of the Equality Act 2010 to overcome barriers for particular groups of pupils for example to address low participation or low achievement where appropriate and proportionate to do so: [Positive Actions Advice](#)

Sacred Heart Catholic Primary School and Nursery takes a proactive approach in making adjustments which enable individuals with physical or sensory impairments, learning difficulties and those who are living with mental health needs. It is, in many cases, the way society responds to these (attitudinal and environmental barriers) which can increase the level of disadvantage and not the disability itself. Wherever possible, Sacred Heart Catholic Primary School and Nursery involves the views of disabled pupils, their carers and staff.

5. Equal Opportunity in relation to exclusions from school

Sacred Heart's policy on exclusion (within our Behaviour & Anti-Bullying Policy) and for allowing appeals against exclusions and the duty to provide education to excluded pupils is informed by the [DfE's Guidance on Suspensions & Permanent Exclusions](#) alongside Liverpool Local Authority Guidance. The school recognises the importance of treating all pupils fairly when applying the Exclusion Policy. The school has in place arrangements to monitor the profile of pupils excluded from schools to ensure that these are exercised fairly. The school will ensure that it makes reasonable adjustments for disabled pupils when applying the exclusion process or when imposing disciplinary sanctions.

6. Tackling Discrimination

Sacred Heart Catholic Primary School and Nursery will not tolerate any form of direct or indirect discrimination (less favourable treatment) on the basis of disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

The school will ensure that staff and governors understand discrimination and recognise expressions of prejudice and stereotyping and know how to challenge this. Sacred Heart Catholic Primary School and Nursery is committed to teaching pupils to show respect and appreciation of individuals and to educating and preparing pupils to live in a diverse society. Our School is committed to removing unfair stereotypes and/or prejudices and barriers/obstacles to learning and engaging in school activities.

The following policies have been put in place to tackle discrimination harassment or bullying: Behaviour & Anti-bullying, recording racist incidents, recording high level/serious behavioral incidents, Accessibility Plan and Safeguarding & Child Protection Policy.

7. Equal Opportunity in Employment

Sacred Heart Catholic Primary School and Nursery will ensure that fair recruitment processes are in place to make certain that every job applicant and employee receives equality of opportunity regardless of their disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation and age. Employees and prospective applicants will not be disadvantaged by any conditions or requirements which cannot be shown to be justified. The school aims to provide equality and fairness for all job applicants, employees whether part-time, full-time, fixed term or temporary, volunteers.

Individuals will be selected, promoted on the basis of their relevant merits and abilities. The School will take into account the provisions of the Equal Pay provisions of the Equality Act 2010 and ensure that there is no discrimination in pay arrangements for staff. It will work alongside and always take advice from Liverpool Local Authority and the AOL.

8. Responsibility

All employees and members of the school share the responsibility to ensure that the school's Equality Policy & Objectives operates fairly and effectively. However, the major responsibilities are as follows:-

9. Breach of the Policy

Breaches of policy will be dealt with in the same ways that breaches of other school policies are dealt with, e.g. staff disciplinary rules and code of conduct, Behaviour & Anti-Bullying Policy. Any appropriate action will be determined by the Headteacher and/or the Governing Board as appropriate.

Breaches of the Equality Policy & Objectives will be regarded as misconduct and could lead to disciplinary action against employees. Sacred Heart Catholic Primary School and Nursery will ensure that all new employees, volunteers, and trainers and facilitators are fully informed of the school's Equality Policy & Objectives.

10. Resources

Where possible, within the constraints placed upon it, the Governing Board will make available any resources appropriate to ensure the full and effective implementation of this policy. A positive commitment will be made to identifying and resourcing the different needs of pupils to enable them to benefit to the fullest extent from the opportunities offered to them.

11. Publishing the Policy

Staff will be informed of the Equality Policy & Objectives as part of their induction programme when joining the school and as part of INSET training days.

The Member of Staff with lead Responsibility for the Policy in Sacred Heart Primary School and Nursery Primary School is Joy McCallum – Headteacher with Jen Jordan Deputy Headteacher. The Equality Act 2010 requires schools to publish specific and measurable equality objectives to comply with PSED; these are outlined below.
