Knowsley Safari Park

On Monday, Year 1 went to Knowsley Safari Park. We had a fabulous time! Whilst there we were very busy, we took part in a classroom based session where we learned how to classify animals. We also went on the foot safari where we visited the elephants and giraffes. Did you know giraffes have a tongue which is 45cm long?! We also saw the sea lion show which was amazing. They were so entertaining! To end the day we went on a coach safari around the park and had our very own tour guide. It was so funny when the camels blocked the road so we couldn't get past! We had such an exciting day - so much so we fell asleep on the way home. We can't wait to re visit.

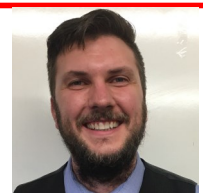

Baby Thea

Mrs Boyd came to visit us last week with baby Thea. She went to visit all of the classes to introduce Thea to our school. Mrs Boyd and Thea are enjoying their rest and we are looking forward to seeing them again.

Mr Smith

We are pleased to inform you that Mr Smith has been promoted to Assistant Head Teacher in our school. Congratulations Mr Smith.

Lord Mayor

We have the Lord Mayor visiting us on Monday 2nd October to give an assembly to all the children and to visit our school. Our School Councillors arranged this visit during their councillor meeting with Nick Small. We look forward to welcoming the Lord Mayor to Sacred Heart.

ROAR Brochure

Kath Thomson from the Merseyside Youth Association came to visit us and take pictures for the ROAR Brochure which will be published soon. She took different action shots which ranged from our school assembly to us playing out on the yard at break time. We are really pleased to be working with Kath and the MYA team.

CLASS OF THE WEEK

YEAR 4

We have made a great start to the new school year. We are looking forward to a fantastic year in year 4, learning new skills and achieving our full potential

British and Gospel Values

Tolerance: We understand that we are all different. In year 4, we celebrate our differences and embrace the rich diversity at Sacred Heart.

We have been thinking about **'Friendship'** and how we can make the best of this gift from God.

UN Rights of the child: Article 28

All children have the right to an education.

In year 4, we have a desire to be the best we can be. By following our school code of conduct, we can all achieve our dreams and ambitions.

We are enjoying our practical science lessons with Mrs Edwards. We can make a simple circuit with a switch to light a bulb. We are all 'Bright Sparks'!

In PE, we have been developing our skills of teamwork. Through a range of non-contact games. Working as a team helps to develop a sense of belonging. We are looking forward to learning more skills.
