## Safeguarding

At Sacred Heart Catholic Primary School we promote the importance of Safeguarding to young children, you can view all of our documents and guidelines on our school website; [www.http://sacredheartliverpool.school/safeguarding-information/](http://sacredheartliverpool.school/safeguarding-information/). You can also speak to our Designated Safeguarding Lead Mrs Gillespie if you have any question.

## Fostering Children

Liverpool has over 1200 Looked After Children. Could you foster one?

Phil Watson and his family have been fostering for Liverpool City Council since 2010.

Phil says, 'It can be challenging, exhausting, hilarious, but above all rewarding. I can see the difference we are making to the children we have looked after.

We chose to foster for the Council, because they don't make a profit. This is very different from the Independent Fostering Agencies that operate in the city. We have fostered seven kids since we started. We had one little lad for four hours and one kid for over five years! We can't solve all their problems, but we know when those kids are with us, they are safe'

Foster carers need to be over 21, have a clean criminal record, be healthy and have a spare room. You can be of any class, culture, heritage or sexual orientation. You can be single, in a relationship, own your home or rent. You don't need to give up work to foster, as long as your work is flexible enough to cope with the demands of looking after a child.

As well as being paid, foster carers are exempt from Council Tax and get free Lifestyles Gym Membership. Full training and support is given. Liverpool City Council are actively looking to find new carers.

If you are interested in finding out more about fostering for Liverpool, contact Phil Watson at [Phil.Watson@liverpool.gov.uk](mailto:Phil.Watson@liverpool.gov.uk) or visit [www.fostering.liverpool.gov.uk](http://www.fostering.liverpool.gov.uk).

# Class of the Week

## Year Five

As we approach the half-way point of the year, Class 5 have continued to give 100% towards their learning.

### British and Gospel Values

#### **Mission:**

Our current topic in Come and See is Mission, where we have investigated how we all have missions in life, how many people, such as

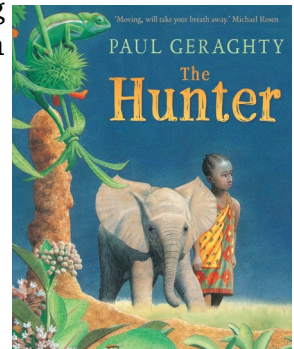

priests, teachers doctors and many more follow their vocations. We have learnt how having a mission life can develop a **mutual respect** for others and how it is important that we support each other.

This message was continued as we explored the events commemorated by Holocaust Memorial Day, were we investigated **individual liberty** and **tolerance**.

Our work exploring Gospel and British Values this week also explored having the **courage** to do the right thing through our time with Father Fitz.

### Writing

Our writing this week has taken us to Africa, where we've met a girl called Jamina who dreams of being a hunter. We've developed our use of adverbs for possibility and relative clauses, as well as exploring dialogue through drama and then developing our use of speech within our writing.

### UN Rights of the Child

**Article: 29**—*Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.*

This week has been a busy one, were we have explored Mission in RE, investigated links between fractions, decimals and percentages in maths, explored Space in Science and learnt how to use relative clauses in English. We've also begun to build our bird boxes, thinking about how to look after the local wildlife. We have used and developed a huge range of skills this week.

## Writing Challenge

### Late January Writing Challenge

You are invited to take part in writing for pleasure at home. All you have to do is write about the theme below and bring the writing back into school.

All pieces of work will go into a file that will be displayed and celebrated at the front of school, and everyone who returns a piece of writing will be given a prize.

Also, you get to choose the style of writing: so it could be a story, a poem, an article or whatever you'd like.

The theme this week is: Ghosts

The children are not allowed to play on the trim trail or school equipment after school and parents must supervise them once they have collected them from the class teacher.

Breakfast club starts at 8am and children are to be supervised by an adult until 8am when it opens please

### School Uniform

NO TRAINERS ALLOWED PLEASE MAKE SURE YOUR CHILD WEARS BLACK SCHOOL SHOES ONLY—**Only Stud** earring are allowed to be worn in school.

### Swimming

From Thursday 10th January Year 3 and 5 will be going swimming for this term.

They will need a full swimming costume, (**swimming cap only children with long hair**) and towel with them every week. Boys need to wear tight shorts. Goggles are optional.
