## Article 27

You have the right to food, clothing, a safe place to live and to have your basic needs met. You should not be disadvantaged so that you can't do many of the things other kids can do.

# CLASS OF THE WEEK

## YEAR 3

Year 3 have had such an exciting and fun week! We have changed our Collective Worship table as we prepare for the season of Advent. We have been busy practicing our songs for the Christingle service and our school performance, we can't wait to show you what we have been practicing!

In Maths, we have looked at column addition and have used place value charts and counters to help us. We have looked at how to add and subtract using this method.

In English, we have focused on using similes and how they can make our writing more exciting to read. The children have had lots of fun using their imagination to create similes based on the setting from our text *Winter's Child*.

This week we have also continued with our violin lessons. The children are becoming more confident with their abilities and using different strings to make beautiful music! In Art, we became art critics as we explored the work of Henri Matisse and Vanessa Gardiner. We focused on comparing and contrasting the different pieces of art and concluding what we liked best about each piece.
