Want to get involved in transforming Kenny Fields?

## Join our Big Community Launch Event

Saturday 26th March at 11am

Kensington Fields Community Centre

Hall Lane, Liverpool, L7 8TQ

We are a group of local residents who have formed a Community Land Trust which is open to those who live, work or study in the Kensington Fields area. By joining us you can help shape the future of our community starting with a clean up event on March 26th.

Community Land Trusts are community led groups that typically develop green community areas, community owned housing, shops and businesses. We will be holding consultation meetings which all residents are encouraged to attend to see the proposals and ensure their views are heard. Come along on 26th March to find out more, get involved, join with other residents and make a difference by creating a cleaner, greener Kensington Fields.

Refreshments provided.

## British and Gospel Values

### Mutual Respect

In our school, our focus is on respecting everyone regardless of religion or belief. God loves everyone

equally.

How do we show our mutual respect for everyone? How does our mutual respect make our society better?

## UN Rights of the Child

### Article: 14

#### The right to religion

Children have the right to decide on their own what religion they follow, or if they follow any

religion, and think what they want.

Have you discussed your faith with your parents? Have you discussed their faith with them?

**Philippians 2:3** *Do nothing from selfishness or empty conceit, but with humility of mind let each of you regard one another as more important than himself;*

### THE IMPORTANCE OF ARRIVING ON TIME— (08.45-08.55AM)

WHOLE SCHOOL PHONICS AND READING TAKES PLACE FROM 9AM— 9.45

### THE IMPORTANCE OF PHONICS

PHONICS IS ESSENTIAL FOR CHILDREN TO BECOME SUCCESSFUL READERS AND SPELLERS/WRITERS IN THE EARLY YEARS OF SCHOOLING AND BEYOND.

## THIS WEEK YEARS 3—6 WENT TO PERFORM AT THE PHILHARMONIC HALL

BRITISH  
SCIENCE  
WEEK

11-20 March 2022

GROWTH

THIS WEEK WE  
CELEBRATED BRITISH  
SCIENCE WEEK—

WE WATCHED OUR DUCK  
EGGS HATCH

We planted lots of seedlings.

We created our story spoons.

We explored successful  
women in Science.

Year 2 visited Imagine That  
and learnt all about

Scientific materials.

## CLASS OF THE WEEK—YEAR 5

Year 5 have been learning about a huge range of religions this year including sacrifice in Christianity, and how we commemorate that sacrifice. We have learnt about Judaism and Pesach, as well as the Pilgrimage of Hajj in Islam.

During Geography and History, we have been learning about South America and the Mayans.

In year 5 this term we have learning about a whole range of space based topics!

From how planets create seasons and day and night cycles, to how people reacted to the first moon landing, and even about how gravity affects everything around us!

We've been following the story of Chris Hadfield, an astronaut, who was once scared of the dark, but ventured into the unknown.

## Virtual Coffee Morning for primary school parents & carers Wednesday 6th April, 10:00-11:30

### Making a referral

Referrals to the MHST are made through school. Speak to your school's Mental Health Lead (MHL) or an alternative member of school staff you trust about the difficulties being experienced by yourself or your child.

The MHL in your school is: **Mrs J McCallum & Miss Jordan**

The EMHP in your school is: **Mrs J Parkinson**

### Finding the right help

The MHST is not always able to offer the most appropriate support for all families. If this is the case the MHST will assist you in finding alternative support from the wide range of services available in Liverpool.

The Mental Health Support Teams are based between the 3 YPAS hubs over Liverpool;

YPAS Central Hub	YPAS North Hub	YPAS South Hub
36 Bolton Street	Croxdale Road	35 Lyndene Road
Liverpool	West	Liverpool
L3 5LX	Croxteth	L25 1NG
