British and Gospel Values

Hope -We have high hopes and aspirations for our future, our school and community. We also understand that faith gives us hope for both now and for the future, and that this hope brings confidence.

Hope for us means that there is always a future whatever situation we are in, because God promised to never leave us, to always love us, and to help us in times of need.

UN Rights of the Child

Health, water, food, environment - Children have the right to the best health care possible, clean water to drink, healthy food and a clean and safe

environment to live in. All adults and children should have information about how to stay safe and healthy.

"Everything that is done in the world is done by hope."—Martin Luther.

WHOLE SCHOOL PHONICS AND READING TAKES PLACE FROM 9AM— 9.45

THE IMPORTANCE OF PHONICS

PHONICS IS ESSENTIAL FOR CHILDREN TO BECOME SUCCESSFUL READERS AND SPELLERS/WRITERS IN THE EARLY YEARS OF SCHOOLING AND BEYOND.

FATHER FITZGERALD VISITED YEAR 4 TO HELP US TO VALUE PEACE.

On Monday, Father Fitz Came to visit us to teach us about Pentecost and how the Holy Spirit guides us to follow in Jesus' footsteps.

CLASS OF THE WEEK—CLASS 4

Year 4 have been having a fantastic time exploring the whole world of sport. Last week, we had a visit from Gie Gie, a physiotherapist for Merseycare NHS Trust. Gie Gie is also an Athlete and Physiotherapist for the Great Britain Premier Dragon Boat Squad. She came to talk to us about her roles and to teach us how we can prevent injuries when doing sport. We learnt about how Team GB warm up for their races and the stretches they do to keep themselves flexible.

This week, we have been exploring sporting events from all over the world, from finding local sports venues with 4-figure grid references, to working out what time we will be watching sports event in different time zones. We have also been exploring

Olympic logos and icons in our art lessons. On Friday, we had lessons from a professional golfer to show us the right technique for the perfect swing.

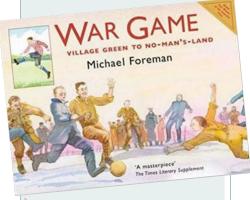

Next week, Year 4 have lots of fun-filled opportunities planned. We have two visits from Everton in the community, a footballer will be dropping by, we will be training with the Women's coach for TNS and the England Football under 21s scout and we will be going on a fantastic trip to Liverpool Watersports Centre. We will be taking part in a canoeing session and will be learning all about what it is like to be a paddle sports athlete. We couldn't be more excited!

Keep an eye on out **Year 4 twitter page @SacredY4** for updates on all of our fantastic learning opportunities.
