

Sacred Heart Catholic Primary School & Nursery Newsletter

What a busy half term we have had. Year 6 have really shown amazing resilience and character sitting their SATS and Year 2 have sat theirs this week. We have had so many amazing visits and visitors to deliver fantastic learning over the weeks. Everything from being the first school ever to go into the Liverpool Tunnels to a world wide photoshoot, visiting all our Royal hospitals (including the original building designed by Florence Nightingale) to water sports and golf. As always our children have really made us proud. Thank you as always for your support.

Values

Individual Liberty

In our school we believe that everyone's views, opinions, and thoughts are their own and should be valued for their difference. They should have the freedom to act in whatever way

they want.

We are very lucky that we can exercise our views in our country. How could you exercise your voice this week?

UN Rights of the Child

The Right to join a group

Children have the right to join any group they would like to free of danger or discrimination because of their choices. Children

should be proud of their groups.

CLASS OF THE WEEK—

CLASS 5

Our work this term has been focused on the environment and community.

We've been reading the Paper Bag Prince and the discussing about the disposal of waste, and how we can make our world a better place by recycling.

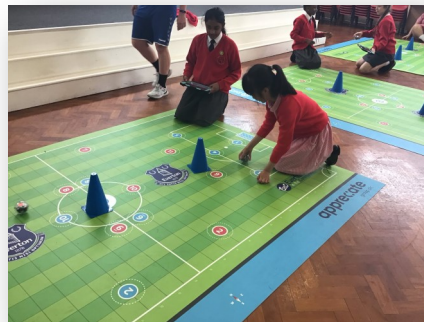

Moreover, we've learnt about local history and how our environment has changed from fields to more built up areas, and how land usage has changed.

Year 5 have been talking about our own liberty to choose a career that best suits our own individuality. We've had many visitors including footballers, engineers, historians, artists, and so many others.

During Geography and History, we have been learning about our local area and community. We've discussed how Liverpool has developed.
