Article 24

You have the right to the best health care possible, safe water to drink, nutritious food, a clean and safe environment, and information to help you stay well.

UN Rights of the Child

24 A right to the things that will keep you safe, clean and well

This week was "Friendship Week" across the UK. We supported this by wearing odd socks on Monday, learning about kindness and the impact of bullying and how to be proud of our unique differences through the week. Our choir joined other Liverpool schools at the Anglican Cathedral to perform in an Anti Bullying event singing in sign language. As always, our children were a credit to themselves and the school.

CLASS OF THE WEEK

YEAR 5

Friendship week

This week, year 5 have been involved in Friendship Week. We have had 'Odd socks day', and have been focusing on the difference between disagreements and bullying. We've talked about the differences, acted this out, and created posters for school to show the difference to the rest of the children. We have thought about how our actions impact others and how to always show kindness.

Our World:

Year 5 have been exploring the Anglo-Saxon period and what the life of the Anglo-Saxons was like. We have visited the World Museum and handled artefacts from the Anglo-Saxon period. We discussed what this tells us about life in this era. We looked at the materials that the Anglo-Saxons used in their crafts, handled weapons, and many other things.

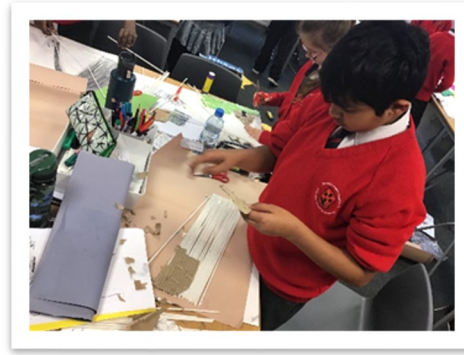

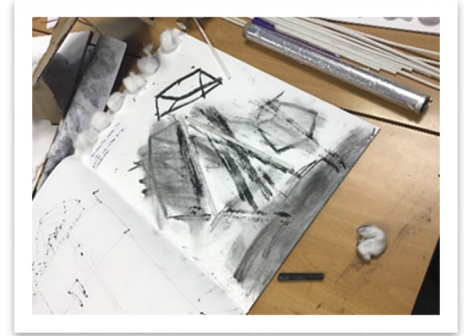

English:

In English we are learning about one of the oldest myths and legends; Beowulf. Even though we do not know who wrote the ancient epic, we've been exploring the characters of Beowulf and Grendel. We've learnt about how the story was once a long poem that for a many years it would be told around campfires and feasting halls.

Children have also begun to create their own heroes and villains for our own myths and legends that we are creating.

Father FitzGerald visit.

This week, Father Fitz had a discussion with us about waiting for the special time of year coming up; Advent. We discussed what waiting was like, and some stories of others waiting - such as the Prophet Isiah. We now know that waiting can affect our emotions and ideas. In addition, Father Fitz discussed the Feast of Christ the King, and gospel from this Sunday. We have also started our topic on Advent, and learnt about how Advent is different to other times of years in the Catholic Church, and is a time of waiting in hope for the coming of Jesus.

Please find details of the free available online parenting courses for parents and carers, available from Solihull.

These courses are free for Liverpool parents and carers to complete online, either by themselves or with the support of a professional if needed. The courses are also available in a variety of languages.

Gain more confidence as a parent:

Try our FREE online guide LIVERPOOL for all parents and carers to understand your children

Liverpool families enter the access code PURPLEBIN to gain free access, go to Solihull - For full information visit <https://inourplace.co.uk/>
