Brake—Road Safety Day

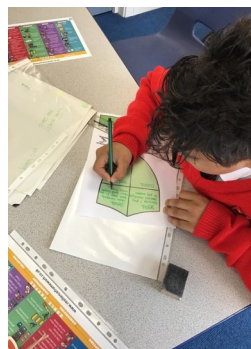

On Wednesday, all the children came into school wearing striped clothing to promote road safety with Brakes Kid Walk. All of the money raised will be donated to Brakes which is an organisation that works towards a world where there are zero road deaths and injuries on our roads, and helps those bereaved or injured by them.

Rocket Project

Year 5 had an exciting day on Monday with Merseyside Youth Association taking part in ROCKET which is a new project that trains children to be resilient champions. We are excited to be taking part in this project.

Writing Challenge

May Writing Challenge

You are invited to take part in writing for pleasure at home. All you have to do is write about the theme below and bring the writing back into school.

All pieces of work will go into a file that will be displayed and celebrated at the front of school, and everyone who returns a piece of writing will be given a prize.

Also, you get to choose the style of writing: so it could be a story, a poem, an article or whatever you'd like.

The theme this week is: Sunshine

We have seen such amazing writing so far
Thank You Everyone
