Friday 10th January

## Welcome back

On behalf of the staff, I would like to wish you all a warm welcome back to school. I hope that you had an enjoyable Christmas and New Year, although it seems like a long time ago already! The children have had a great start to the new term and we have already seen some excellent work and behaviour.

The staff are planning lots of exciting activities for the children, which I am sure they will enjoy. More details will be sent out about these over the next few weeks.

Thank you for your continued support, it is really valued and it does make a difference. As always, if you have any concerns please do not hesitate to speak to myself or a member of staff, we will be happy to help.

I wish you all a peaceful and healthy new year.

Mrs L Roach

Headteacher

## Crosby Hall

Children in Year 4 will be going to Crosby Hall on Monday 13th January and the coach will be arriving at 9.00 am to collect the children. Please ensure your child arrives to school on time. Children will be returning on Wednesday and should be back at school for 3.15 pm.

## Art

An artist is coming into school to work with Year 1 on Wednesday 15th January and will be making a 3D model of Liverpool Buildings. We would like to ask all parents to bring in empty cereal boxes and kitchen roll tubes to help us make our designs. Thank you for your continued support.

**With the love of God our dreams and ambitions come true.**

# Class of the Week

## Year Four

### British and Gospel Values

**Tolerance:** We understand that we are all different. In Year 4, we celebrate our differences and embrace the rich diversity of Sacred Heart.

We have been thinking about 'Love' and what we can do in our school to show love to one another. Year 4 wrote notes giving thanks to one another for acts of kindness they'd performed.

We have had lots of fun in Year 4 this week! In English, we role-played as different characters from our class story to see what advice they would give to Leon about stepping into the magic. We also began looking at simulations in our computing class and the level of detail going into designing them. We tried our hand at drawing a 3D Simulation of a house and got some incredible artwork from it.

We are also busily preparing for our residential to Crosby Hall next week and are incredibly excited!

We have really been enjoying our Cookery lessons! We really like trying new food and learning new skills. Congratulations to Olivia for being our Chef of the week.

### UN Rights of the Child

**Article: 28** *You have the right to an education.*

In Year 4, we have a desire to be the best we can be. By following our school code of conduct, we can achieve all of our dreams and ambitions.

### Independent Writer of the Week

Congratulations Isla Maloney. What a fantastic achievement!

### Mathematician of the Week

Well done Richard He.  
What a fantastic achievement!  
Keep up the great multiplication and division work.

Nursery	Dev Patel
Reception	Lucas Bringas

## Writing Challenge

Autumn Writing Challenge

You are invited to take part in writing for pleasure at home. All you have to do is write about the theme below and bring the writing back into school.

All pieces of work will go into a file that will be displayed and celebrated at the front of school, and everyone who returns a piece of writing will be given a prize.

Also, you get to choose the style of writing: so it could be a story, a poem, an article or whatever you'd like.

**The Theme : New Year**

We have seen such amazing writing so far  
**Thank You Everyone**
