School Closure – Year 6

Dear Parents/Carers,

As a result of the school closure due to coronavirus, below are suggestions for homework and activities for children to complete whilst school is closed. This homework will not be marked and isn't compulsory, just some suggested activities if you would like to complete them with your child. However, these activities will provide the children with vital learning opportunities and support them with their learning for their SATS.

All of the children have been sent home with the following revision books: 10-Minute Reading Tests, Grammar, Punctuation and Spelling, Grammar Book 1, Arithmetic.

Below I have listed some websites that the children can use for further revision. They take on the format of SATS style questions, which will support the children for their tests in May:

<https://uk.ixl.com/math/year-6>

<https://uk.ixl.com/ela/year-6>

Past SATS papers can also be found through the following link:

<https://www.gov.uk/government/collections/national-curriculum-assessments-practice-materials>

In Geography, our current topic is 'Global Trade'. If you follow the link, you will find PowerPoints that the children can read, questions and activities that can be completed.

<https://www.rgs.org/schools/teaching-resources/global-trade/>

This term in science, our focus is on 'Light'. Again, if you follow the link below, you will find videos and activities that the children can complete about this topic.

<https://www.stem.org.uk/resources/community/collection/12741/year-6-light>

Thank you for your continued support.

Miss Kayayan
