## SAT's Week 9th—13th May

### Well Done Everybody!

The children have all worked exceptionally well since starting Year 6 way back in September.

Well done and thank you. A special thank you should go to their class teacher, Mrs Mulvaney who has worked tirelessly to ensure that all children reach their full potential

Please remember that after all their hard work your child wants to achieve their very best, please help them by encouraging them to go to bed early for a good night's sleep, it makes the world of difference. Children are then invited to come along to breakfast club for a FREE breakfast between 8.00 a.m. and 8.20 a.m.

*We wish them all good luck  
and ask you to keep them in your prayers.*

## Going For Gold

Years 4/5 and 6 have been developing their enterprise skills earlier this week. The pupils worked with members of staff from the Compact team, where they established their own business' working together as teams and allocating company roles. Their aims were to set up successful kitchen design companies in Year 5/6 and successful restaurants in Year 4/5. They all completed their tasks and acquired and developed many essential skills throughout the process.

## 70th Anniversary of The Blitz

### KS2 Welcome Aunty Kath.

Pupils learnt about life during the blitz from Kath, who told them what it was really like to live through the blitz as a 9 year old.

They would all like to say a great big thank you!

### Faith Focus

#### Prayer for World Peace

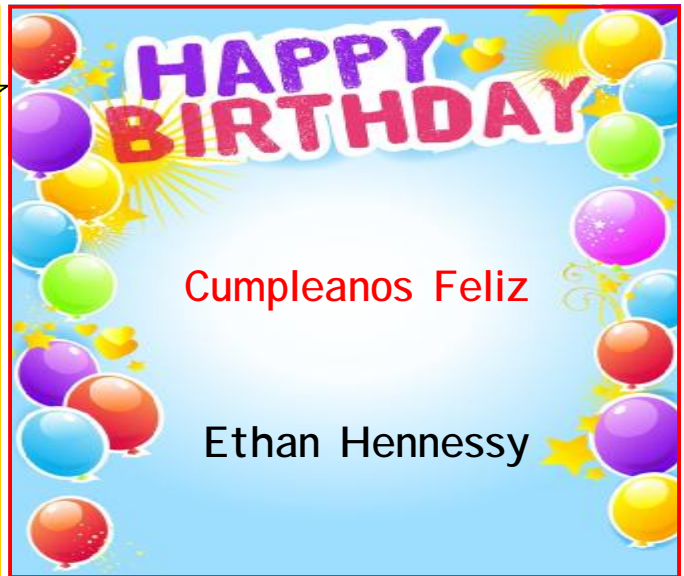

Lord, we pray for the power to be gentle; the strength to be forgiving; the patience to be understanding; and the endurance to accept the consequences of holding to what we believe to be right.

May we put our trust in the power of good to overcome evil and the power of love to overcome hatred.

We pray for the vision to see and the faith to believe in a world emancipated from violence, a new world where fear shall no longer lead people to commit injustice, nor selfishness make them bring suffering to others.

Help us to devote our whole life and thought and energy to the task of making peace, praying always for the inspiration and the power to fulfil the destiny for which we all were created.

### Council Coverage

This week your school council met and discussed:

**Surveys;** We asked to know a little more information about the surveys, Mrs Edwards told us that they were to provide Mr. Daniels with pupils likes and dislikes on sports and meals to help him make the best decisions for you in the future.

**Drinking Fountain;** The Shop accounts showed enough profit to buy a drinking fountain. It was ordered straight away and has arrived. We are now waiting to find out how much it will cost to have it installed.

**Lunch Menus;** you have told us that it is difficult to remember what you have ordered for lunch by the time you reach the middle of the week. We have suggested photocopies of your orders to be displayed in classrooms, this has been agreed and will start on Monday.

Please remember if you have any ideas or concerns, speak to a councillor or leave your comments on the learning platform.
