Dragon's Den Winners 2011  
Congratulations to our enterprise team  
'Nature Force'

The team of 15 children from Years 4-6 who make up 'Nature Force' have worked extremely hard since September 2010. They have turned their idea of recycled goods, into a reality, producing cards, bookmarks, door hangers, posters, key/coin boxes and luggage labels. Their energy and team work has been amazing throughout, they are truly worthy winners.

**Look out for their stall at the Summer Fayre!**

Nature Force would like to thank, Mr Vaudrey from Liverpool City Council Environmental team, Jonathan from Hope University and Mr Moran, an ex enterprise (2007) member himself, for their support. They also send an extra special thank you to Ms. Farnan for the many, many hours she spent supporting them.

Attendance  
Winners 2010

Our current Year 5/6 class won the attendance competition way back in July 2010, when they were a younger 4/5 class. They enjoyed their reward on Monday with a picnic lunch in Wavertree park, followed by a fun swimming session in Wavertree Aquatics Centre.

**Hello Cheeky!**

Members of the Red Cross came into school last Friday to teach some lifesaving skills to pupils in Years 2-6.

Pupils practiced the recovery position with the following saying;  
Hello cheeky, let's have a knees up and go for a roll.

**Professor Fluffy**

**The Professor Fluffy team gave Year 5/6 children an insight into the benefits of going to university. The children were inspired. So watch out for our University graduates in the future.**

**Love...**

If there could be one thing in life for me to teach you,

I would teach you to love...

To respect others so that you may find respect in yourself

To learn the value of giving,  
so that if ever there comes a time  
in your life that someone really needs,  
you will give

To act in a manner that you would wish to be treated;

To be proud of yourself

To laugh and smile as much as you can,  
in order to help bring joy back into this world

To have faith in others;

To be understanding...

To stand tall in this world and learn to depend on yourself

To only take from this earth those things you really need, so there will be enough for others

Do not depend on money or material things for your happiness,

But learn to appreciate the people who love you

The simple beauty that God gave and to find peace and security within yourself

To you, my child, I hope we have taught all of these things,

for they are love.
